Sydney - 12th - 15th May 2011

The next Australian National N Scale Convention will be held in Sydney from Thursday 12th to Sunday 15th May, 2011.

The venue is the Sunnybrook Hotel and Convention Centre at Warwick Farm. It offers separate convention facilities, including a large meeting area which can be divided into 4 smaller areas, two private foyers, 3 breakout rooms and a private courtyard for outdoor dining and socialising.

The hotel offers 3 star accommodation in single, twin, three share and four share rooms. Special room rates, with breakfast included, are being negotiated with the hotel, and these will be advised as soon as they are confirmed. You may like to visit the Sunnybrook website www.sunnybrook.com.au for more information about the venue.

Sydney has a lot of attractions for the tourist, with a variety of tours and sights worth taking some extra time to visit and experience. The weather during May should be mild - not too hot but not too cold either, ideal for planning a holiday.

Programme

The three days of formal programme will include the usual convention activities:

- Clinics
- Workshops
- Display layouts
- Layout tours
- Trade stands
- Model competition
- Convention Dinner (Saturday 14th)
- Museum tour and steam train ride

As well as all of the above, there will be the opportunity to meet old friends and make new acquaintances among the N Scale modelling fraternity.

Partners' Programme

The committee is keen to provide the sort of activities that partners really like. At this stage there are no hard and fast plans, but the committee is putting together a list of ideas for partners to participate in, or do their own thing. This list will include organised trips around Sydney, a ferry trip on the most beautiful harbour in the world, shopping trips to markets and warehouses, and a list of other places of interest that you may wish to organise to visit at your leisure.

The Organising Committee

The committee who have volunteered to run this convention are keen to make this the most memorable of conventions. They are working hard to source and organise a variety of activities for you to participate in, and enjoy.

Contact

The convention website is <http://convention2011.nscale.org.au>

The web site will be updated as more information comes to hand and as planning progresses..

Here you will find more information on the venue, accommodation, programme activities, and forms to indicate an expression of interest to attend, and to let us know the type of clinics and activities you are interested in. The registration form will also be posted on the website when it becomes available.

All attendees at previous conventions should receive this announcement. If you wish to receive further information about the 2011 Convention, please register your interest by returning the form below, or by contacting us by email at nconv2011@bigpond.com

Please let us know if you would like further information sent to you by email instead of post. This will help reduce costs and registration fees. A second announcement will be made later in 2010, at which time registrations will be invited.

You can contact the committee at any time for more information, or to let us know **your** ideas:

By email: nconv2011@bigpond.com
By mail: P.O. Box 120, Bonnyrigg NSW 2177
By phone: Marilyn Wilcockson - Convenor - 0438 231050

For Now:

- Keep the date free: 12th - 15th May 2011 for the
12th Australian National N Scale Convention
- Tell all your contacts about the convention, and invite them to attend

Yours faithfully,

Marilyn Wilcockson
